## CONTINENTAL & MEXICAN VERITIES

Ceylon cinnamon sticks are also known as cinnamon quills. Therefore, after harvesting and drying cinnamon, we produce curly or rolled cinnamon quills. Also, all the cinnamon sticks are made the same way. However, when we are sorting the cinnamon grades of sticks, we mainly consider the diameter size of the sticks.

AT LAK CINNAMON GROUP, WE PRODUCE THE FOLLOWING COMMERCIAL GRADES OF CEYLON CINNAMON

Mainly, we identify the following standard cinnamon grades in the market.

### ALBA

ALBA: It is the top Ceylon cinnamon grade and the most expensive cinnamon grade. And, it has a sweet taste, a pleasant aroma, and a powerful flavor.

### C5 SPECIAL CINNAMON
